

Glad to be in Littleton!

A Welcome Wave. Pollyanna of Littleton—New Hampshire's most welcoming attraction—invites you into Downtown Littleton. You'll discover there's a cheerful attitude that comes with an appreciation for history.

Author Eleanor H. Porter (1868–1920), was born and lived in Littleton, New Hampshire. In 1913 she created the cheerful Pollyanna, the world-famous character, whose very name inspires an understanding of gladness and optimism.
